Dear Blondie (again?)

I was very happy to receive your letter even if you did call me "baggy"!! You should talk!!!?

Everything is running smoothly here so far. We've just completed our 3rd week and we only have 3 more to go. This includes 2 week of Aerial Firing. We've learned practically everything there is to learn about Machine Guns. We've taken them apart and assembled them blindfolded, and then broke some parts and replaced them ——— I'm beginning to dream about guns (silly dreams huh?).

Many times, when I'm shooting those 50 calibers, I wish you were here ——— on the end of one !!! Gruesome huh what?!! I'm so cold blooded!! Sometimes I don't
