moonstruck over Dan!! Just because Russ has a boat, it reminds her of rowing in Branch Brook heh?

Ha Ha!!

How is the mission coming along? I hope you're offering it up for me, for I'll need all the luck I can get, —— or hustle!!

I think it's just "ducky" —— you're ushering for the K. of C. I hope you're not like the usher in "Sons of Fun" —— remember?

Will you kindly tell me what insults were thrown by the "Pur" bags over my picture? I'm anxious to know what the lower class of people think!!

Say Ann, will you send me Tanky's address again? If you don't have it I think Betty does.
